

Our Culture

1 – Commitment

We are committed to the Vision, Mission and Values of Archangel Gabriel Consultancy, its current and future team members and all clients at all times.

We always recommend appropriate services and products of Archangel Gabriel Consultancy as we are committed to best practice at all times.

2 – Responsibility

We accept responsibility for our decisions, actions and outcomes.

3 – Integrity

We are honest in all our interactions with colleagues and clients.

We deliver what we promise.

We make agreements we are willing and intend to keep. If for any reason an agreement requires amendment, we communicate it immediately.

We attend to those changes with the utmost priority.

4 – Communication

We always speak positively of our fellow team members at Archangel Gabriel Consultancy.

We maintain confidentiality of our clients at all times.

We always use a person's name on greeting and parting.

We acknowledge what is being said as true for the person at that moment.

We speak with good purpose and empowering conversation.

We only discuss concerns with the fellow team member involved in private.

We apologise for any upsets first and then look for a solution.

5 – Achievement

We focus our attention to achieve the goals we set for ourselves and those set with our clients.

We display integrity, professionalism and personal confidence, at all times,

6 – Team Work

We participate as team members at all times to support the team in achieving team goals.

We are flexible in our work in order to change our strategies as necessary.

We consult with those around us to identify areas of improvement.

Archangel Gabriel Consultancy's values of quality, understanding, acceptance, respect and compassion are in our forethoughts at all times in all we do.

Your Health is Our Concern

Our Culture

7 – Best Practice

We are aware of the advances in best practice by consistently staying up-to-date on the latest information while maintaining open communication with a network of colleagues in the health sector.

We always deliver the most suitable and latest service and product available in order to achieve best practice and long term benefits.

8 – Education

We are willing to learn from our mistakes.

We attend courses that are relevant to our field, including courses that help us grow and develop as a person to better serve our team members and clients.

We share usable knowledge with our clients, in a sensitive manner, to empower them to make the best decision for their current circumstances and individual needs.

9 – Balance

We have a balanced approach to life, knowing that spiritual, family, physical and social aspects are just as important as our financial and intellectual aspects. Having this balance we are able to deliver the most effective service and the best of ourselves to all our fellow team members and clients.

10 – Joy

We view life as a journey to be enjoyed and appreciated and help to create an atmosphere of joy and happiness so all those around us also benefit.

11 – Processes

We always look to the processes for a solution.

We follow the system exactly until a new system is introduced.

We seek and suggest process improvements within the team framework at our first opportunity.

12 – Consistency

We are consistent in our actions so that our colleagues and clients are comfortable and confident in dealing with us at all times.

13 – Gratitude

We are truly grateful individuals.

We say thank you and show appreciation often and in many ways, so that all around us know how much we appreciate everything and everyone we have in our lives.

We celebrate when team members and clients achieve their goals.

14 – Abundance

We are abundant individuals, we deserve our abundance and we are easily able to both give and receive it.

We allow abundance into all areas of our lives by respecting our own self worth and that of all others.
